Annie

G C G
Annie she sits and she stares out to sea
D C D
She waits for those old ships that dock in the bay
G C G
She has a lover who sails out at night
D C D
Into the darkness, too soon out of sight

Em C D
Haul away boys, haul away soon,
Em C D
Haul away boys, come in from the sea,
Em C D
Haul away boys, haul away soon,
Em C D
Haul away .....

He stands on the deck and stares at the sky
And watches the sail and the stars that pass by
He loves the feeeling of a misty sea breeze
The wind in his hair and the salt on his cheeks.

Haul away boys, haul away soon,
Haul away boys, come in from the sea,
Haul away boys, haul away soon,
Haul away .....

Annie's a beauty with raven black hair,
Emerald green eyes and a skin that's so fair.
She and her lover they live all alone
In a one-room house with a fence made of stone.

Haul away boys, haul away soon,
Haul away boys, come in from the sea,
Haul away boys, haul away soon,
Haul away .....
