Blue Kentucky Girl

D G D
You left me for the bright lights of the town
E A
A country boy set out to see the world
D G D
Remember, when those neon lights shine down
E A D
That big old moon shines on your Kentucky girl.

D G D
I swear I love you, by the moon above you,
E A
How bright is it shining in your world?
D G D
Some morning when you wake up all alone,
E A D
Just come on home to your blue Kentucky girl.

Don't wait to bring great riches home to me
I need no diamond rings or fancy pearls.
Just bring yourself, that's all I'll ever need.
That's good enough for this blue Kentucky Girl.
