Hallelujah Side

Once a sinner far from Jesus I was perishing with cold,
C G_7
But the blessed Saviour heard me when I cried.

And he threw his arms around me, and he led me to the fold,
C G_7 C
Now I'm living on the hallelujah side.

Singing Glory be to Jesus, let the hallelujahs roll,
C G_7
Help me to sing my Saviour's praises far and wide.
C F C
For I've opened up towards heaven all the windows round my soul,
C G_7 C
And I'm living on the hallelujah side.

Not for all earth's gold and millions will I leave this precious place,
Though the tempters to persuade me oft have tried.
For I'm safe in God's pavilion, happy in his love and grace,
And I'm living on the hallelujah side.

Singing Glory be to Jesus, let the hallelujahs roll,
Help me to sing my Saviour's praises far and wide.
For I've opened up towards heaven all the windows round my soul,
And I'm living on the hallelujah side.
